

Need Interns during the Summer? Become a Worksite & Save up to \$3,840!

Our **SUMMER TECHHIRE INTERNSHIP PROGRAM** is designed to help eligible businesses build a talent pipeline by hiring interns during the summer period and providing them with real hand-on work experience in technology related careers. **Hiring businesses can save up to \$3,840 per intern.**

PROGRAM DETAILS

- Program runs from **June 17 through August 30, 2019**
- Participants are between the ages of **17 and 29** and meet program eligibility criteria
- Participants may work **10 to 40 hours per week for a maximum of 240 hours**
- Participants will be on the work site's (hiring company) payroll and paid a **minimum hourly rate of \$16.00**
- Eligible businesses are in the **advanced manufacturing, broad band/finance/information technology, and healthcare industries**
- Eligible businesses will help participants **gain hand-on experience and learn workplace competencies along their career paths**
- Upon **successful completion of internship**, businesses will be **reimbursed** for the program participant's wages up to a maximum of 240 hours
